- 4.8 The Assets that are subject to purchase are, to the best knowledge of the Seller, the lawfully owned property of Seller, notwithstanding this, the Seller does not warrant that the Seller is the entitled to sell such assets and the Purchaser has agreed to purchase the Assets upon the terms of this Agreement and accepts upon itself the risk that some of the Assets may not be owned by the Seller. In the event that it comes to either of the parties attention that any of the Assets are not owned by the Seller, the Purchaser shall return the relevant asset to the true owner and shall in turn be compensated for such asset in the portioned amount of the purchase price as reasonably determined by the Seller in its sole and absolute discretion. The Purchaser shall have no further claims against the Seller and/or Agent in such event.
- 4.9 The Purchaser shall not have a claim against the Agent arising in such an instance, nor against the Seller as a result of any further damages or consequential losses that the Purchaser may have suffered. Notwithstanding any cancellation in terms of 4.8, the balance of this agreement shall continue to be of full force and effect and will not affect the sale of the balance of the assets purchased in terms of this agreement
- 4.10 After the date of acceptance of this offer by the Seller in terms of **2.3** the Seller or Agent (as the case may be) shall (against compliance by the Purchaser with **3.5**) deliver to the Purchaser all or any documents as may be required to transfer the assets to the Purchaser.

- 4.11 Neither the Seller nor the Agent makes any representations or warranties of any nature whatsoever, whether express or tacit or implied by law, contract or otherwise, and whether or not they induced the entry into this agreement, and the Purchaser hereby irrevocably and unconditionally waives any right (common law or otherwise) that it may have to rely on any representation or warranty; it being agreed between the parties that the Sale Assets are purchased on a *voetstoots* basis and the Seller shall not be liable for any defects in respect thereof, whether patent or latent. For the avoidance of doubt, the Seller neither represents nor warrants the condition of the Assets (including any perishable items that form part of the Sale Assets) nor that the Assets are suitable for any specific purpose. The Purchaser shall have no claim, of whatsoever nature, against the Seller and/or the Agent in relation to the Assets, including without limitation, the transportation, relocation, damage to and/or any consequential loss and/or indirect loss of the Purchaser in relation to the Assets (whether in respect of death, personal injury, damage to property or otherwise). The Purchaser hereby irrevocably and unconditionally waives any right (common law or otherwise) ("**Excluded Claim**") that it may have to rely on, or institute, any action in relation to the Excluded Claim, unless the Excluded Claim is directly attributable to any criminal or grossly negligent conduct on the part the Seller and/ or Agent.

5 EXCLUSION OF WARRANTIES

The Offeror/Purchaser acknowledges that:

- 5.1 It has read this agreement and is familiar with all the terminology, phrases and concepts set out herein and is satisfied with same.
- 5.2 Save as expressly set out herein and particularly itemised in this agreement, no express or implied warranties or guarantees have been made by either the Agent or the Seller in respect of any of the Assets forming the subject matter of this agreement and such assets are sold "*voetstoots*".
- 5.3 The assets that are purchased in terms of this agreement may have originated from an entity in financial or other distress and may have been neglected, abused, inadequately serviced, or may be in a state of disrepair and may contain latent and unknown defects, as well as patently obvious defects, damage, wear and tear or other shortcomings. Neither the Seller nor the Agent purport to be experts in relation to the particular assets forming the subject matter of this agreement and in the event of the Seller having possessed such expertise, the Purchaser irrevocably and unconditionally acknowledges and agrees that the Seller may be an entity in liquidation against which recourse (arising from any damages suffered here from) may be impossible to enforce and that neither the Seller, the Agents nor any third party (including without limitation any manufacturer of any of the Assets) has any obligation or liability of any nature whatever (whether actual or contingent or whether present, past or future) to service, repair, replace and/or maintain (and/or to provide any aftersales and/or other services and/or any spare parts) the whole or any part of all or any of the Assets for any reason and in any manner whatsoever.
- 5.4 The Offeror/Purchaser is entitled to inspect the assets and to familiarise itself in respect of same to the extent necessary in order to make an informed decision whether to submit this offer or not, given the contents of clause 5.3. If the Offeror/Purchaser submits an offer, it does so of its own informed free will and volition and acknowledges that it shall not have a claim against the Agent or the Seller arising from any defects with or in and to any of the assets purchased in terms of this agreement, nothing whatsoever excepted.

- 5.8 Save as otherwise set out in this agreement, the Offeror/Purchaser by its signature hereto indemnifies and holds the Seller and the Agent free and harmless from any cost or claim howsoever arising in connection with and as contemplated in this agreement.
- 5.9 The Purchaser hereby indemnifies and holds the Seller and the Agent free and harmless from any license fees (past, present or future), costs, claims registered on the National Traffic Information System (eNatis) as contemplated in the National Road Traffic Act 93 of 1996 and its Regulations. The Seller and the Agent record and the Purchaser agrees that there shall be no obligation or liability for the Seller or the Agent in this regard and that all risk in this regard vests solely in the Purchaser or any other authority or the relevant motor vehicle licensing authorities, in connection with this transaction or the assets purchased in terms of this agreement. The Purchaser undertakes to settle any such amounts on demand therefore by the relevant authority.

- 6.1 Save as specifically provided for in clause 6.2 below, if either party commits a breach of this agreement and fails to remedy such breach or default within 7 (seven) calendar days from date of delivery of a written notice requiring the defaulting party to do so, then the aggrieved party shall be entitled to cancel this agreement against the defaulting party without further notice and without prejudice to its rights to claim damages as a result of such cancellation, or it may elect to hold the defaulting party to the agreement and claim specific performance of the terms and conditions hereof, also without prejudice to its rights to claim damages.
- 6.2 The Purchaser specifically agrees that in the event of it being in default of its obligation to effect payment of all or the balance of the purchase price and Agent's Commission within the time period set out in paragraph 4 above, then and in such event, the Seller or the Agent (on behalf of the Seller) may immediately cancel this agreement without any breach notice being required in respect of such default.

- 6.3 In the event that the Seller exercises its rights above to cancel this agreement, then the Seller **shall** be entitled to retain any and all payments already made under this agreement at the date of cancellation (“the pre-payments”) as *rouwkoop*, failing which as a penalty, failing which as liquidated damages, failing which as payment in respect of the prejudice which parties hereby agree will be suffered by the Seller as a result of the Purchaser’s breach aforementioned. If the Seller is obliged by law to prove or qualify such *rouwkoop*, penalty, damages or prejudice then the Seller shall be entitled to retain the pre-payments until such *rouwkoop*, penalty, damages or prejudice are quantified and determined by a judgment of a competent Court having jurisdiction, whereupon the Seller shall be entitled to set off the judgment amount against the repayments so held;
